

It's easy to pay with your phone.

Start making mobile payments today using your Diners Club Corporate Card.

Get started with Android Pay™

How it works

1. Look for the Android Pay app on your phone. If you don't have it, download it from the Google Play Store.
2. Add your Diners Club Corporate Card to the Android Pay digital wallet. Then, set your Diners Club Corporate Card as your default card if adding more than one card.
3. Unlock your phone and tap it on the terminal to pay in store. Look for this symbol at checkout.

Compatible devices

Any Android phone with near-field communications (Android 4.4 or newer).

Features & benefits

- Digital payments are fast and convenient
 - You can make payments in-store and in-app
 - You can easily track your digital payments within Android Pay.
